

**MACQUARIE UNIVERSITY  
DEPARTMENT OF EARTH AND PLANETARY SCIENCES  
GEOS858 ENVIRONMENTAL GEOPHYSICS  
2011**

**UNIT OUTLINE**

The unit has the same outline as GEOS305 (attached). For all WEB material concerning GEOS858, please just access the GEOS305 WEB site.

The main difference between the post-graduate and under-graduate units is that the assessment concerning GEOS305 material is worth 90% of the overall assessment and there is an extra assignment for GEOS858 which is worth 10%.
