In the original paper, due to an error of the printer, equation (B.8) reads as

\[ L = l f_{f}^{-p}, \quad R = r f_{f}^{-p}, \quad p = \frac{1}{2} - \frac{1}{6} \exp \left( -\frac{L}{5r_{1}} \right) \]  

The correct equation reads as (note that the middle equation for \( R \) is different)

\[ L = l f_{f}^{-p}, \quad R = r f_{f}^{-p}, \quad p = \frac{1}{2} - \frac{1}{6} \exp \left( -\frac{L}{5r_{1}} \right) \]
